Tabs:

Each of the available tabs corresponds to a possible status for plan runs that have been initiated on the platform.

- **All runs:** All runs that you have initiated are listed here.
- **Completed:** Run has successfully executed.
- **Failed:** Run failed to complete.

NOTE: You can re-run a failed run from the Plans page. See *Plans Page*.

To download the logs of a failed plan run, select **Download logs** from the run's context menu.

- **Canceled:** Run was canceled by the user.
- **Running:** Run is in progress.

Access:

- You can review and drill into any run that you initiated.
 - For each plan run, you can click the caret to reveal details on the individual flow tasks that were part of the plan run.
 - Logs are available for individual flow tasks. Click **Download logs** from the flow task context menu.
- You can also drill into any run that was initiated from a flow that has been shared with you.

Columns:

- **Run:** Internal identifier for the plan run. This value is unique for all runs in your Trifacta® instance.
 - Click the ID number to explore details about the plan run. See *Plan View Page*.
- **Status:** The current status of the run. See above.
- **User:** The Trifacta user that initiated the run.
- **Started:** Start timestamp for the run.

Actions:

- **Filter by status:** Click one of the tabs to filter the display to show only the listings for the selected status.
- **Filter by type and date:** Click the Funnel icon to filter the list of plans by source of execution, date range, or both. See below.
- **Search:** Enter text in the search field to filter the listed runs by run ID, flow name, or recipe name.
