

# API People Delete v4

This is the latest version of the APIs.

## Contents:

- *Required Permissions*
- *Request*
- *Response*
- *Reference*

Delete the specified user.

**Deleting a user may remove access to all of the user's assets. Before deleting a user, you may wish to transfer all of the user's assets to another user. For more information, see [API People AssetTransfer v4](#).**

**Version:** v4

## Required Permissions

**NOTE:** Each request to the Trifacta® platform must include authentication credentials. See [API Authentication](#).

## Request

**Request Type:** DELETE

## Endpoint:

```
/v4/people/<id>
```

where:

Parameter	Description
<id>	Internal identifier for the user

## Request URI - Example:

```
/v4/people/6
```

## Request Body:

Empty.

## Response

**Response Status Code - Success:** 204 - No Content

### **Response Body Example:**

Empty.

## Reference

For more information on the properties of a user, see *API People Get v4*.
