

Context Panel

On the right side of the Transformer page, the context panel displays one of multiple panels, depending on the current state or selection of the data grid. The following panels may be displayed within the context panel.

To open the context panel:

- In the data grid or column browser, click the Plus icon in the lower-right corner to open the Search panel on the right side of the screen.
 - To open the recipe panel, hover over the Plus icon and click the Recipe icon above it.
- Select an icon in the Transformer menubar to open one of the panels listed below.

To close the context panel, click the X icon in the upper-right corner.
