

# Preferences Page

## Contents:

- *User Preferences*
    - *Profile*
    - *Account*
    - *Email notifications*
    - *Sessions*
  - *Workspace Preferences*
    - *Storage*
    - *Referrals*
- 

From the Preferences page, you can manage aspects of your user account and other settings. Select **Help menu > Preferences**.

## User Preferences

### Profile

Review and manage your user profile. For more information, see *User Profile Page*.

### Account

Change your password and set your locale among other preferences. See *Account Settings Page*.

### Email notifications

Configure your personal preferences on receiving email notifications about activities in the product.

For more information, see *Email Notifications Page*.

### Sessions

Review the list of devices that have logged into your account. You can revoke any unrecognized and unauthorized sessions. For more information, see *Sessions Page*.

## Workspace Preferences

### Storage

Review and modify the locations where you store data.

See *Storage Config Page*.

### Referrals

Refer your friends and earn rewards! Review your referral rewards for referring your friends and colleagues to Trifacta®. See *Referrals Page*.
