You can begin with a free trial with the product to get started wrangling. Some features may be limited in the free trial.

Prerequisites

- You must have a valid email address.

Other Useful Information

Trifacta® provides storage resources for your free trial. If you plan to connect your workspace or project to your personal data sources, you may need to acquire additional information, including:

- Connection information
- Any required credentials or IAM roles/permissions

Steps

1. Please navigate to: <https://www.trifacta.com/start-wrangling/>

Tip: To get more information on an educational license, click the **Click here** link.

2. In the **Work Email** field, enter your valid work email ID.

NOTE: After you enter the work email, you must enter your organization name in the **Company** field.

3. In the **First Name** and **Last Name** fields, enter your first and last name.
4. From the **Country** drop-down list, select your country and, if necessary, the corresponding **State**.
5. To get started with wrangling, click **SIGN UP**. An email is sent to your Work Email address. Click the confirmation link in the email to get started.
