

Contact Support

Do you need further assistance? Check out the resources below:

Support

Search Support

Alteryx Support

In the Designer Cloud® application, click the Help icon and select **Search Help** to search our help content.

If your question is not answered in the support widget, you can file a support ticket through the Support Portal (see below).

Community and Support Portal

The Alteryx Community and Support Portal can be reached at:
Alteryx Community.

Within our Community, you can:

- Manage your support cases
- Get free Wrangler certifications
- Post questions to the community
- Search our AI-driven knowledgebase
- Answer questions to earn points and get on the leaderboard
- Watch tutorials, access documentation, learn about new features, and more
